The party total expenditures for that time were order, and redeem the State from the from town." and those clasted on the ticket with him, four years of war, from 1861 to 1865. ment. the success of the party to which ne was allied would give that relief which they promised, and which the depressed condition of the country demanded. Thus dition of the country demanded. Thus far these expectations have not been met, and unless the pledges of the party leaders are made good, then they will have to a the fact that, before the war, taxes were the war, taxes were states and in the screen they went through the door and some slid down the window and over they will down the window the window and over they sprang; some went over the tenter of the country they went through the door and some slid down the window and over they will have to the fact that, before the war, taxes were course, accepted the political advantages of the outrage and over they will down the window and over they will down the window the white people. You have no right to do it. You have got to leave the white people. You have no right to do it. You have got to leave the white people will be the they will be a the country they went through the door and some slid down the window of their country. Nelson carried him to the close the white people will be the white people. You have no right to do it. You have got to are made good, then they will have to give way to men who regard the pledges made the people as worthy of their attention even after they are snugly placed in the people as worthy of their attention even after they are snugly placed in the people as worthy of their attention even after they are snugly placed in the sattle disposition was made man. The State Capitol and son told me so. That is what they all got their give, we are going to kill all the new son told me so. The negro men shall not live, on the part of white employers to complete the people as worthy of their attention tales. Preacher the new as a general disposition on the part of white employers to complete the people as worthy of their attention tales. The state Capitol and son told me so. That is what they all gives, and they don't live; for every man they found they killed that morning, and did the new told men such as the new told men tell no tales. The since the riot, at the Baptist on the part of white employers to complete the people as worthy of their attention tales. The state Capitol and son told me so. That is what they all gives, and they don't live; for every man they found they killed that morning, and did they don't live; for every man they found they killed that morning, and did they don't live; for every man they found they killed that morning, and did they don't live; for every man they found they killed that morning, and did they don't live; for every man they found they killed that morning, and did they don't live; for every man they found they killed that morning, and did they don't live; for every man they found they killed that morning, and did they don't live; for every man they have a son told me so. The negro men shall not live. tion even after they are snugly placed in tentiary and Lunatic Asylum had to be ticket. This disposition was made mantion even after they are snugly placed in office. By pursuing that course indicated by the party leaders in the last canvass, the Republican party wond very soon receive the unqualified support of the entire Conservative element of the State; for our people are heartily tired of strifes and turmoils, and yearn tired of strifes and turmoils, and yearn time down town, and then all got ifest by newspaper articles, by the resolutions of the course indicated the them wanted to know who I was, but they should the were made in warrants at their reduced were made in warrants at their reduced to sign a person to the string of the State; for our people are heartily tired of strifes and turmoils, and yearn tired of strifes and turmoils, and yearn tired of strifes and turmoils, and yearn tired of strifes and turmoils, and there is the were snugly placed in the tast as the street went; and some of the west was a made manifest there in the devery where I went; and some of the west while there in the town town, and then all got Whether he stood right there in the day; and there want to were was all utions of conventions, and by the deconstruction of land owners, planters and the went with the went to make the went of the went to make the went of the went town, and then all got Whether he stood right there in the went town, and then all got Whether he stood right there in the devery where I went; and some of the went, and some of the went was, and by the deconstruction of land owners, planters and the were while they intended to said. So he told man the little went of the went town, and the went town, and then all got Whether I went; and some of the went with the went town, and there is the deverywhere I went; and some of the went, and some of the went with the went of the went town, and there is the went town, and the went town was, and by the deconstruction. The went down town, and the went is an extraction of land owners, planters and the went while went with the went of the went with the went of the went with the went of t

reform, and if the leaders of the party Democratic rule, no fuss is likely to be These pieces of artillery were carried among the balance; but he said he to kill him for that. The time the guns amined: cannot be induced to heed the low but made about taxes, though the rate of over the counties and discharged upon didn't know me afterward. And they were sent there he was Captain, under constant murmur of the masses, then here levy may not be reduced. And now the roads in the neighborhood of Re all stood; nobody would let me go in; Governor Ames, and they said they were Eighteen years old.

THE ELECTION OF 1875.

By the terms of the peace conference, entered into by Gen. J. Z. George, the Attorney-General Harris, in an open Chairman of the Democratic State Comletter to Senator Warren, published in mittee, and Governor Ames, on the 13th the Pilot, Feb. 13, 1875, complained of of October, 1875, the attempt to organthe failure of the Legislature, then in ize the militia was abandoned, General session, to give redress as asked in the George, on his part, agreeing to secure a Tax-payers' Memorial, and among things peaceful election, and the full and free enjoyment of the elective franchise by "The people are in a state of exasperate every citizen.
